# ***SPEAK LIFE TO YOUR HUSBAND***

## ***WORDS OF AFFIRMATION***

*Speak the truth at all times, speak with love, kindness, and gentleness.*

*Let your husband know that you are praying for him.*

*Share with him what you are learning in Scripture.*

*Ladies, we know our husbands better than anyone else, and no one else is suited to speak into his life in the way we are. Do not waste your words, nor misuse them. **“Let your speech always be gracious, seasoned with salt, so that you may know how you ought to answer each person.”** (Colossians 4:6). This is especially true for the building up of our marriages.*

*Examples of affirming encouragement for our husbands:*

1. I am proud of you because.....
2. How can I pray for you?
3. You can....
4. I am thankful for you because...
5. You make my life better because...
6. I am honored to be called your wife because....
7. You are a great father because....
8. You are a great husband because.....
9. Thank you for.....
10. What can I do for you.....
11. I love it when you.....

These are only a few to get you started. Once you are on the path of practicing speaking words of affirmation, gratitude will begin to flow and you will find it easier to express them in your home.
